

INVITATION 20TH ANNIVERSARY CELEBRATION

Dear Members of WFIS,

as already known, our all worldwide organisation *World Federation of Independent Scouts* has its 20th anniversary this year. We, the Solmser Pfadfinderschaft, are proud to celebrate this anniversary from 30.9. until 2.10.2016 with a workshop here in Laubach / Germany from where it all started. We like to invite you to participate in this event and would be glad to welcome you here in Solmser Pfadfinder's home town during this time.

If you are interested in visiting this joyful celebration you are requested to confirm your visit by filling and sending attached application form latest by **July 31st, 2016**. Upon registration in our system you will be receiving a confirmation letter from us which will give you more details on travel information and assistance, administration requirements, the celebration program etc. By now we can say that it is the intention to have on Friday arrival and registration at our central reception with a casual evening "come together". Throughout the Saturday there will be a lot of workshops to introduce some typical German / local handcrafts or to provide suggestions for your own groupwork practices back home. In the evening there will be the celebration part of our anniversary. On Sunday after breakfast the workshop will be officially completed by the traditional closing circle. During the workshop badges-swapping is more than welcome (don't forget to bring your excess badges). Purchasing of WFIS-supplies will also be available. We also intend to plant a Sequoia Tree in Laubach to commemorate the 20th anniversary. For this ceremony, please bring a handful of earth from your home town with you – our tree should grow in the earth collected from as many WFIS-countries as possible!

We plan to take a picture of our WFIS-flag encircled by scarfs from WFIS-members. To achieve this may we ask you to leave us one of yours (please consider that this scarf will be handed to WFIS archive afterwards and will not be returned).

The fee for the workshop is **60,- € per person**, including all costs related to accommodation, food and material for the workshops. Make sure that the correct amount will be paid to the banking details at the bottom of this letter (mention "20th anniversary" as reference) prior to the workshop.
