National Camp
Beat your limits

*I have always believed: That if there is
the right spirit, we can kick out the "im" from "impossible"*

The spirit of the Camp

Every patrol needs to beat its limits, therefore we chose to make it the main theme of the camp.

Beat Your Limits!

In this context, it would be an honour to have you as a participant to the **CNE 2017**.

Where

The Scouts will be camped out in tents at the Scout Camp "Piane del Nevegal" in Nevegal (Belluno).

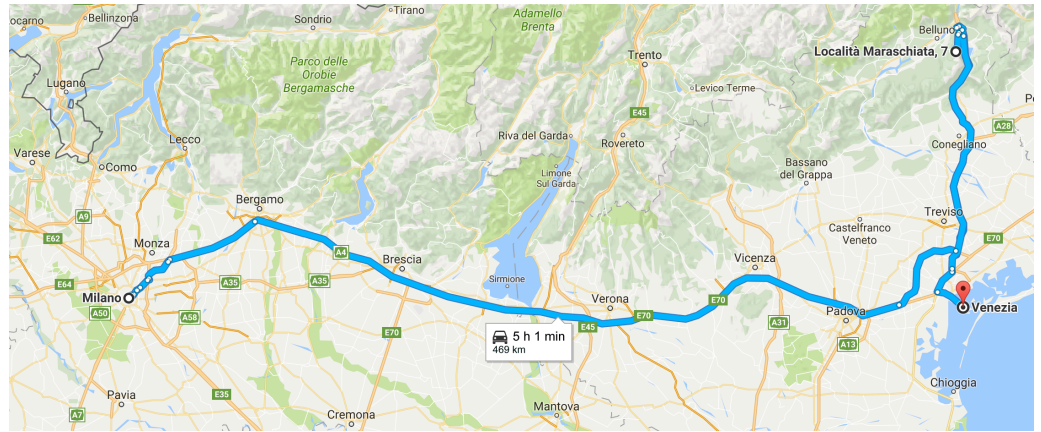

The camp is at about 100km from Venice.

When

The Scouts National Camp will take place **from 4 to 13 August 2017**.

Activities

The Camp will be divided into three sub-camps. The Patrols will rotate in order to do all the activities planned. Each Patrol will be "on its own"; it will have to build its own structures with a budget of 20 wooden poles (of about 2,5 metres long)

Each activity will be presented the evening before, during a meeting in which the Patrol Leaders will take part.

All Scouts will be assisted, not only by their leaders but, also, by a Staff of 50 adult Scouts (Raiders).

At the Camp there will be 24 hours First Aid Service. The main activities will be: Camping, woodcraft, campfire cooking, brotherhood, crossroads of Cultures, Technology, 24 hours patrol hike and Scout games.

Costs

The price: Euro 150,00 per person for the whole camp, travelling not included.
