# The Vajont Dam

**CORRIERE DELLA SERA**  
LE VITTIME SAREBBERO DUEMILADUECENTO  
**L'ONDA DELLA MORTE**

Un disastro mai incomparabile - Guadare il lago antistante, una scia di morte e dolori non apprezzabile - Il disastro si è scatenato in pochi secondi nei valichi già famosi e senza indicare nulla degli pericoli un attimo evitabili del mondo Treviso-Derveso di milioni di metri cubi d'acqua e dirupo crollati al livello tra le due eleganti vallate - Scomparsi sotto macigni indescrivibili, di cui uno delle vertigini di Verona con maggiore spazio - Trascurate finora quattromila abitan-

Two black and white photographs. The top one shows a town that has been completely destroyed by a flood, with only the skeletal remains of buildings standing. The bottom one shows a vast area of debris, trees, and rocks, likely the site of a collapsed dam or a large landslide.
