**WORLD FEDERATION  
OF INDEPENDENT  
SCOUTS - EUROPE**

WFIS-Europe is a Scout organization for independent Scouts. We meet in camps, leadertraining and jamborees. WFIS-Europe was created in 1999 and is an organisation under WFIS World-Wide. Every Scout organisation can join WFIS-Europe if they are not member of another world organisation. If you want to know more about WFIS-Europe, please contact one of the members of the committee.

# THE PEACE LIGHT OF BETHLEHEM

## Czech Republic

1) On December 14th scouts from Jevicko took over the Bethlehem Light during an ecumenical ceremony in the Votive Church of the Divine Savior in Vienna - with the participation of more than a thousand scouts from all over Europe.

2) On December 21st scouts from Jevicko distributed the Bethlehem Light to the citizens of the town in the square with the sounds of Christmas carols performed by students and teachers of the Jevicko music school.

3) On December 22nd scouts from Jevicko handed over the Bethlehem light to the parishioners from the Jevicko parish.

# THE SDG (SCOUTS DISCOVER THE GOALS) CHALLENGE

by Gremio Scout de BP.  
FPG, Spain -Spain

**Y**ou, Beaver, Cub Scout, Scout, Rover, you who are always ready to leave the world better than you found it! You know that many countries also agreed on this? Yes, they did! They committed themselves to achieve the Sustainable Development Goals (SDGs) by 2030. Just think: your actions can directly contribute to the achievement of these goals! And there is not much time left! Just imagine what we could achieve if we all worked together! Which SDG do you think is closest to your everyday scouting? Have you ever thought about leading a project that would inspire your whole community?

Have you ever considered the impact of the scout activities you do with your six, patrol or group? What if you could inspire others to transform your community and take care of our planet? So, are you ready to take on a new challenge and demonstrate the incredible impact of the scout spirit in achieving these global goals?

The opportunity is here!! We are excited to introduce you to The SDG Challenge, a truly inspiring competition launched to the entire Scout brotherhood of WFIS-Europe.

It's a challenge designed to recognise and reward the commitment and footprint of Scouts in the application of the SDGs in your activities through the Scout Method.

Think of all those activities you've been doing, but without thinking about the SDGs.

Whether it's activities you've already started, ones you've committed to sustainability, or brand new ones you're eager to create for this event, we want to hear all about it!

This exciting competition is your opportunity to discover, value and amplify the incredible impact of the activities that scouts of all ages, from beaver colonies to rover communities, are doing to contribute to a more just, equitable and sustainable world.

## SUSTAINABLE DEVELOPMENT GOALS

This is your chance to show that together, stronger, we can change the world!

### WHO CAN PARTICIPATE?

All scout branches of our federation are invited to participate, from Beavers to Rovers.

Every action count, no matter how big or small your section is.

### HOW DOES IT WORK?

For this challenge, activities will be scored according to the following criteria:

- 1. Number of participants:** Which section took part in the challenge, how many members of your patrol, section or group took part in the activity?
- 2. Involvement and commitment:** Explain and show how did the participants motivate themselves and work together to achieve the goal?
- 3. Duration of the activity:** to reflect the level of commitment to the cause, indicate the time spent and the planning schedule involved.
- 4. Impact achieved:** The impact of each activity is measured according to five levels:
  - **Discovery** (e.g. attending a conference on the SDGs).
  - **Knowledge** (e.g. attending workshops with training, exercises, workshops, simulations, scenarios).
  - **Engagement** (e.g. organise a public communication campaign in your neighbourhood and get a response from your environment).
  - **Action** (e.g. propose a concrete project to address an SDG and one of its missions).
  - **Transformation** (e.g. implement a transformative action through a project and obtain key outcome indicators of change).

# SCOUT GAME

**Asociatia Cercetasilor Traditionali din Romania  
ACT-RO Romania**

**W**hat happens when the format of your favorite childhood game is updated with the challenges of your current traditional scouting activities and the game board is reimagined with graphics inspired by Scouting for Boys? Scout Game can be played by 2-4 scouts / patrols. Roll the dice and follow an exciting route to reach the Scout Camp! Along the way, you will earn rewards and face challenges in an adventure template developed by Romanian Traditional Scouts (ACT-RO).

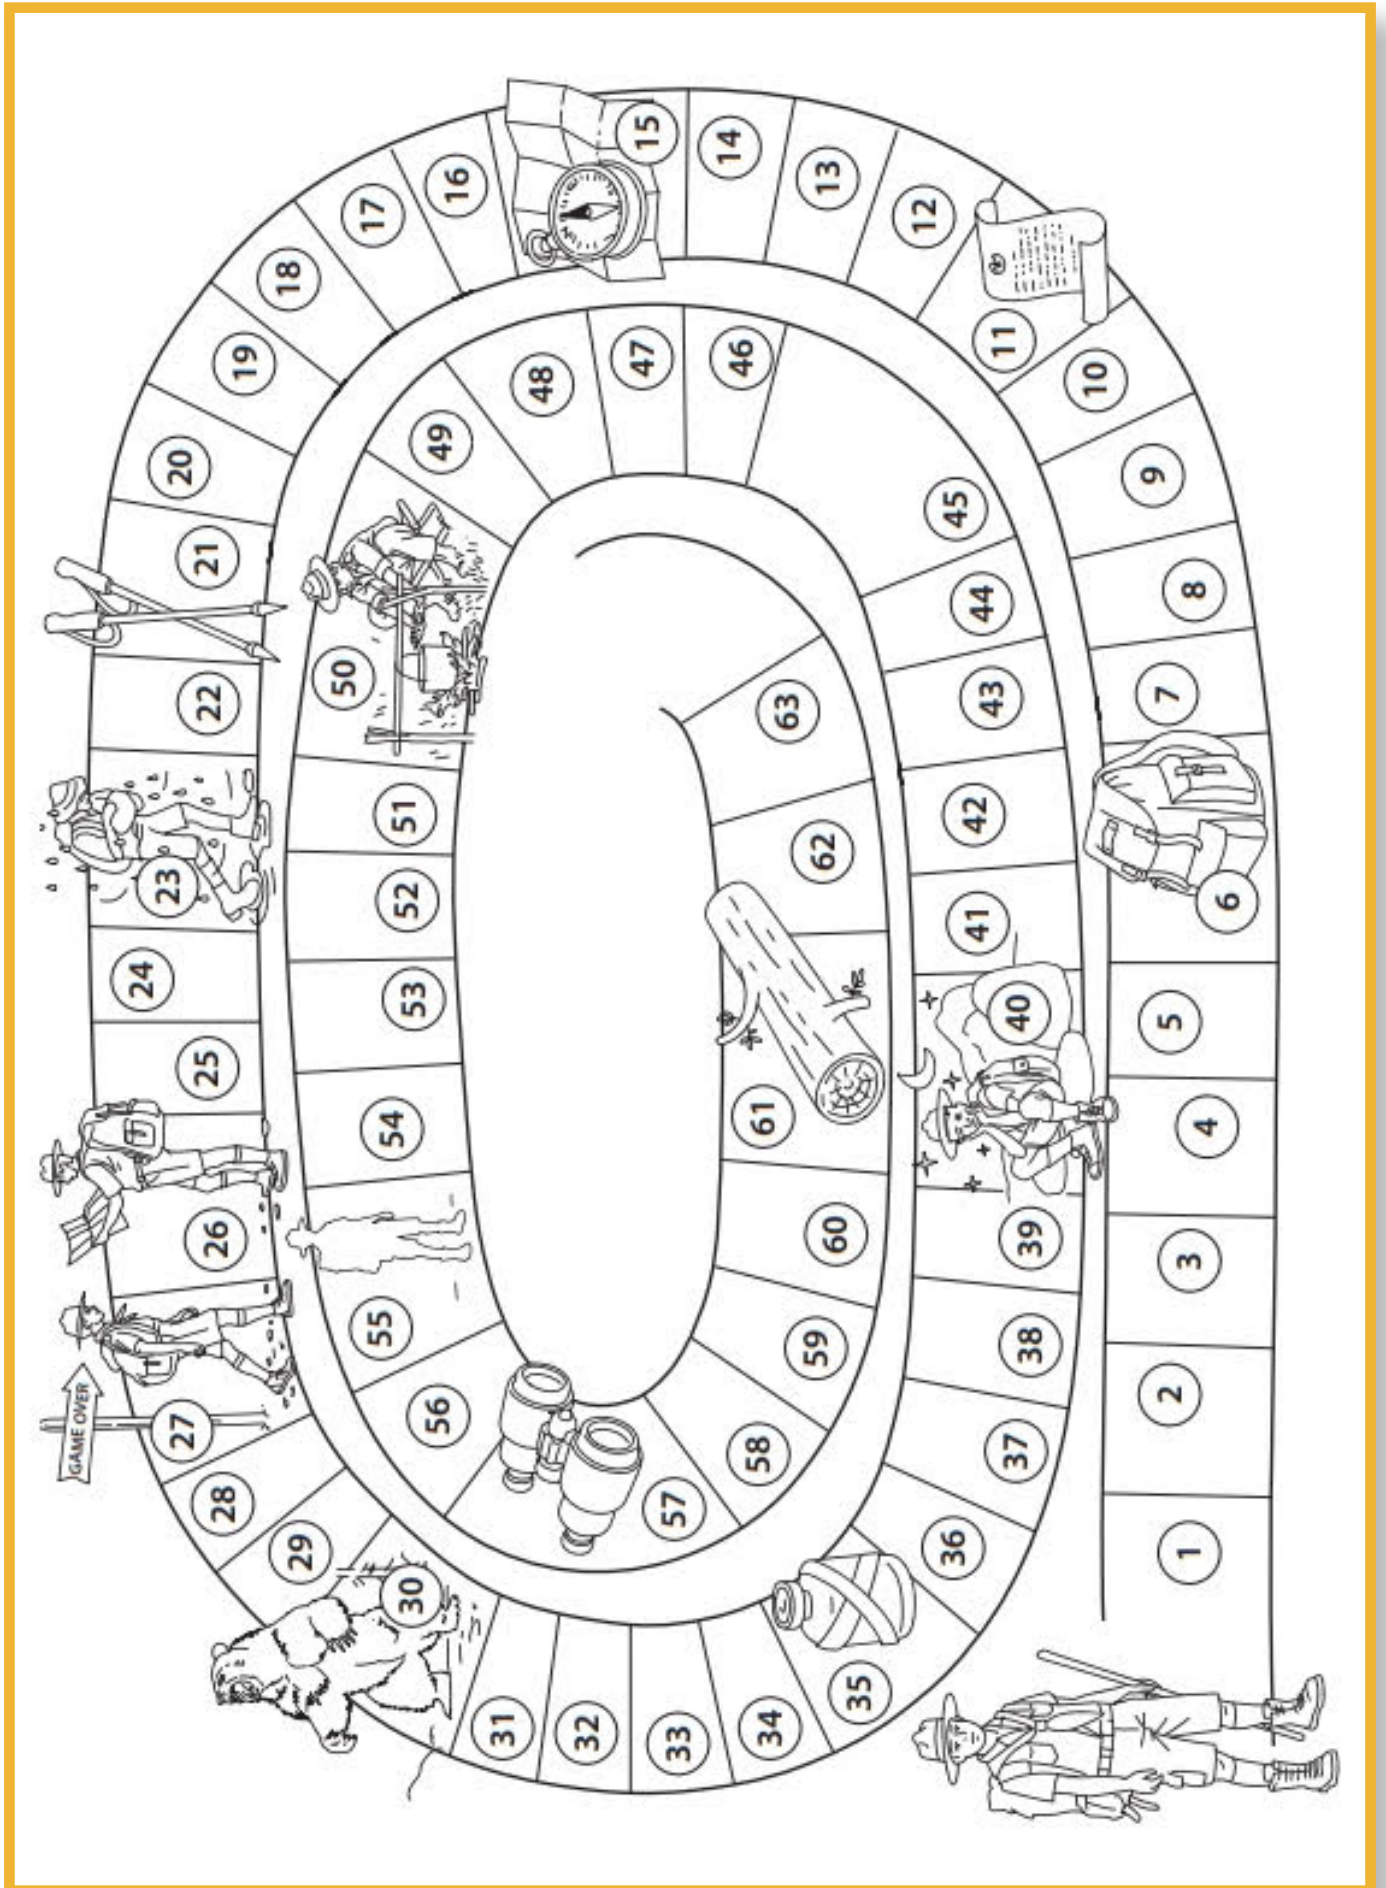

Game content: illustrated scouting cardboard, 4 pawns, 1 dice, box and instructions.

The Scout Game concept, including graphic sketches for the game board and cardboard box, was presented at WFIS General Assembly Meeting - 2025 Antalya, Turkey. The final graphic design is currently in development. The game will be customized for each WFIS member association.

Stay tuned for pre-orders!

Be prepared for Education through Adventure®!

## The winning Patrol REVOLVING DOOR

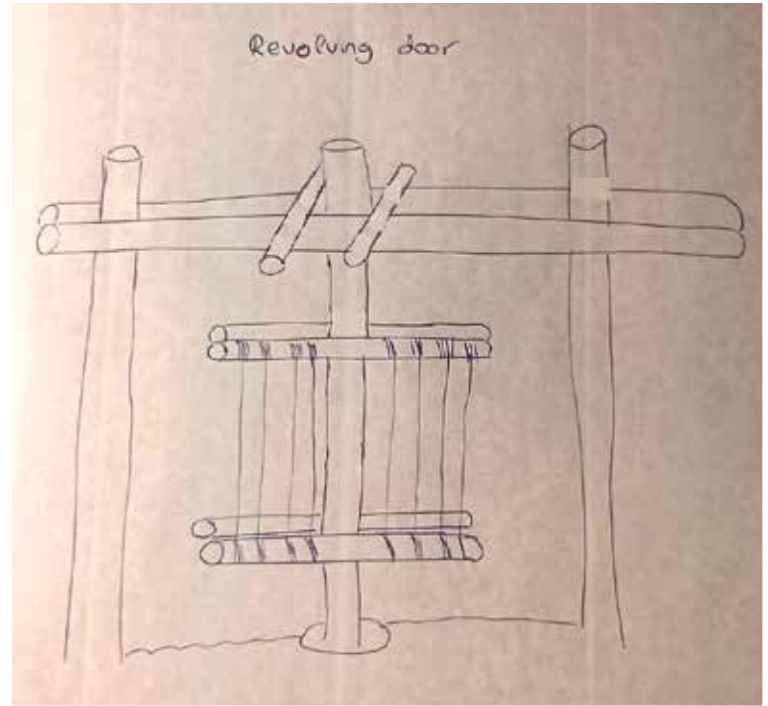

**Nation:** Spain

**Association:** G. S. Margyjp

**Patrol:** Cheetahs

**Materials:** 3 large trunks, 2 long thin sticks, 1 short thin stick, string.

**Description:** Materials to cut the trunks (saws and axes). Watering cans and material to nail the trunk to the ground, 1 kilo metal can of preserves. Initially, we looked for the trunks, cut them so that they would fit the necessary size and not have splinters. We took a tree from the area as a base and nailed the largest trunks to the ground (with the hoe, the pick, watering can...). After doing that, we took the other two large trunks and with them made two ties at each end to join the trunk nailed by them to the tree. We did this in order for it to rotate, for this we took a can of preserves at the bottom and the thin, short stick at the top to make the turn. Finally, we put the other two thin sticks, tied in a cross, achieving the objective of making the door revolving.

# HANDICRAFT 2025

- > **It's a project for everybody!**
- > **Each work will be carefully evaluated considering the age of each participant**

This project can be done by anybody, from the youngest Beaver to the oldest Rover.

It is very simple, all it is to be done is a homemade handicraft, it could be a drawing, a pioneer model built in scale, or sew a leather sheath for the axe, or anything that is Scouting and that **can be done at home or with your leaders during the activities.**

There will be a winner and each participant will receive a participation certificate.

## THE ACTIVITY WILL HAVE ONLY ONE PHASE:

Each participant must send by **October 31, 2025** a maximum of 4 photos of his/her handicraft by e-mail to [handcraft@wfis-europe.org](mailto:handcraft@wfis-europe.org) indicating: name, surname, association, group and, most important of all, the age!

Each participant may participate with only one handicraft.

So... start working! The judges are already waiting to see all your wonderful works!

# PIONET... 2025

- > **It's for all European Patrols**
- > **2 phases** in which the Patrols will be evaluated
- > the Patrols will have to work very hard to win!

**PIONET... is a pioneering competition for all European Patrols, with an adequate design, a technical realization and an equally important presentation of the construction.**

The final result will be the sum of the work of the Patrol, so the report will have to show in particular the contribution that each Scout has given.

## THE ACTIVITY SHOULD BE DEVIDED INTO TWO PHASES:

**1 First phase:** each Patrol must do a complete design of the structure and calculation of the materials and a report in English must be submitted, as detailed as possible, by **June 30, 2025**. The report must include the name, a photo and the role of each Scout in the Patrol.

All reports must be sent by email to:  
[pionet@wfis-europe.org](mailto:pionet@wfis-europe.org)

**2 Second phase:** realization and consequently, submission of a detailed report with photographs by **December 15, 2025**.

All reports must be sent by email to:  
[pionet@wfis-europe.org](mailto:pionet@wfis-europe.org)

- The works will be evaluated by "professionals". The sum of the votes of each individual phase will provide the final classification.
- There will be three prizes for the first three classified Patrols.
- Each Scout that participated will receive a badge and each Patrol a participation certificate.

## HOW TO PARTICIPATE:

An e-mail must be sent to:

[pionet@wfis-europe.org](mailto:pionet@wfis-europe.org)

that says: "We are the XXX Patrol (and the name of the Association and Nation) and we want to participate at PIONET...!!!!"

Good pioneering to everyone !!!!!
